## THE MISSION OF THE CHURCH DURING THE GOSPEL AGE

(Continued from Page 3)

stuff this false scripture down the throats of an intelligent audience such as witnessed the debate. He possibly has been doing this for some time among the more simple minded persons and been getting by and perhaps thought that he could do the same thing during this debate.

This one act of attempting to get by with a known false statement should put all thoughtful persons on their guard concerning any statements Rev. Johnson should make concerning the Scriptures.

Personally I think well of Rev. Johnson but frankly speaking he and all other preachers of the Church Denominations who know no more about the Bible than he does, should stop trying to preach and take lessons from some one better informed.
